| NLIS Device<br>RFID or TAG Number | Identification<br>(eartags, tattoos) | Number of Sheep | Description of Sheep<br>(age, sex,breed) |
|-----------------------------------|--------------------------------------|-----------------|--|
|                                   |                                      |                 |  |
|                                   |                                      |                 |  |
|                                   |                                      |                 |  |
|                                   |                                      |                 |  |
|                                   |                                      |                 |  |
|                                   |                                      |                 |  |
|                                   |                                      |                 |  |

**With respect to the property of origin and the sheep listed I make the following declarations:**

Section 2

- Ovine Brucellosis: Entire male sheep are from an Ovine Brucellosis Accredited Free Flock.

Accreditation No. .... Expiry Date .....

- External Parasites: The sheep have been inspected by the owner/authorised representative and no evidence of lice or ked infestation has been found.

#### **SECTION 3 OVINE FOOTROT**

Animals entered by me do not show signs of footrot and, to the best of my knowledge and belief, are not infected with footrot and have not been in contact with foot-rot infected animals in the past year.

#### **SECTION 4 OVINE JOHNE'S DISEASE (OJD)**

- The sheep identified above originate from assessed herds under the Sheep MAP, with status attained in the year indicated; (eg. **MN1 di 2003**)

**MN1**  ..... **MN2**  ..... **MN3**  .....Health Status Certificate No-

.....Expiry Date - .....

*Year*

*Year*

*Year*

**OR 1.1** The sheep identified above originate from herds that have not been assessed for Johne's disease (*ie. Non Assessed Status*)

**Exhibitors may also need additional certification to move between Zones or between States. Check with your local veterinary authority. The above information, including the description of the animals and property/ies of origin is complete, true and correct.**

**Signature .....** **Date .....**
